## Top 7 Reasons for Teens to Study Abroad with NRCSA

**#7 Be a world traveler!** Studying abroad offers you the opportunity to experience life in another city and country other than your own. Plus, many programs include fieldtrips and travel to a variety of sites of interest outside the host city.

**#6 Learn the foreign language much faster than you would at home!** Being constantly surrounded by native speakers of the language, on average, allows students to learn, on average, about as much in 4 to 8 WEEKS in the foreign country as they do in one or two SEMESTERS of study in their home country.

**#5 Meet other high school students from around the world!** All NRCSA programs are multi-national and accept students from around the world. Many locations welcome students from as many as 20-30 countries each year!

**#4 Join a program doing things you like best!** Do you like soccer? Beach volleyball? Horseback riding? Are you into music, art, cooking, or dancing? Many teen programs offer the opportunity for students to get involved with a number of different areas of interest in addition to the study of the local language and culture.

**#3 Live with someone else's family for awhile!** It's always great to be a guest in someone's home... and experience another mom's great cooking! Many programs abroad offer students a chance to live with a "host family". Request a family with other teens your age, and the possibilities for a great time are endless. Alternatively, some teen programs offer student residence lodging (similar to a university dorm – but for high school students) instead of a homestay.

**#2 It's never too early to start building your resume!**

Applying for a job isn't the only time a diverse resume comes in handy. When you are applying to universities and colleges, any experiences that make you unique increase your chances of being accepted. Participating in school government and clubs, sports, volunteer work, and all types of international experiences all look great on your application form... and the more you've done when it comes time to apply, the better.

**#1 You don't have to spend the summer bored, or worse, in a summer school math class!**

This summer, do something different, get ahead in school, and have an awesome time!

## Supervised Teen Study Program in Sevilla, Spain

**For Ages: 14 - 17**  
**Absolute Beginner to Advanced Spanish**  
**Supervised Program**

This program is designed for students ages 14 through 17, and is well balanced between Spanish language/culture classes and activities. It is taught by highly qualified teachers who specialize in teaching Spanish to non-native speakers. There is also a varied and active social program included during the afternoon (4 times a week).

The Spanish language and culture classes put a special emphasis on the Spanish culture, thus helping students to understand cultural nuances of the language. This allows the student to be integrated into the Spanish lifestyle from the first day, and that in turn helps them to learn the Spanish language more easily.

The school is situated in the heart of Seville, just a stone's throw from the Town Hall, Cathedral and the Royal Palaces, in a completely refurbished traditional house. Its main building is lined with marble columns (from Roman times), has a spacious central patio, and a beautiful sun terrace. The teaching facilities include 20 classrooms, a study room/library, a multimedia room with Internet access, conference room, and a video room. All of the rooms are air-conditioned to ensure that students are comfortable year round.

All of the teachers have been specially trained in teaching the Spanish language to adolescents, and most also have several years of experience. Teachers are also involved in the planning and chaperoning of activities and excursions. This helps to ensure that students have the opportunity to continue practicing their Spanish outside of the classroom.

Students will receive 20 lessons of Spanish each week. Classes are held in the mornings, Monday through Friday. Each group class has a maximum of 12 students, and generally has an average of 9 students. This allows each student in the class to receive the personal attention that they need, but also allows for interactive learning and role playing with other students in the class.

### Six levels of instruction offered:

- Beginner
- Elementary
- Pre-Intermediate
- Intermediate
- Upper-Intermediate
- Advanced.

### Activities Included in the Program

Activities and excursion are a major part of any well balance teen program. They allow the student to live the culture, as well as learn about it. Students will get to socialize with other teens from around world, and often times make life long friends, and since there are students from around the world attending the program students use Spanish as a common language to talk to each other.

### Accommodations - Homestay with a Spanish Family

Students stay with specially selected Spanish families for the duration of their program. Host families are chosen for their warmth and willingness to share the Spanish culture with a teenage student. Homestays also give students a special opportunity to be fully immersed in the Spanish culture, and often times participate in family activities.

Full board (3 meals daily) are included. Students will stay in a shared room with another student who is attending the program. Students will be placed with others teens from a different nationality unless otherwise requested. Arrangements can be made for specific roommates if the request is made far enough in advance. This, however, is not recommended since they will often times continue to speak to each other in their native language.

All homestay are within walking distance of the school (generally 15-20 minutes), and are located in the historical part of the city. By living with a Spanish family, students participate more directly in a Spanish environment and experience the customs, culture and the rich and healthy Mediterranean diet.

### Sevilla, Spain - City Info

With its 700,000 inhabitants and more than 3,000 hours of sun a year, is said to be the most beautiful city in Spain, which best keeps alive the most famous Spanish customs: a vibrant street life, flamenco music and dancing, bullfighting, as well as the openness, pride and warmth of its people. A blend of color and contrasts and joining the modern with the traditional, Sevilla offers a wide range of culture all year round which will appeal to all tastes.

Just ten minutes' walk to the east of the cathedral and centre, the Plaza de España and adjoining María Luisa Park, laid out in 1929 for an abortive "Fair of the Americas", are an ideal place to spend the middle part of the day. En route you pass by the Fábrica de Tabacos, the old tobacco factory that was the setting for Bizet's Carmen. Nowadays it's part of the university. Towards the end of the María Luisa Park, the grandest surviving pavilions from the fair have been adapted as museums. The furthest contains the city's archeology collections and opposite is the Popular Arts Museum, with interesting displays relating to the April feria.

## International Spanish & Activities Teen Program | Sevilla, Spain

### Arrival Date:

Students can arrive any time on the arrival day listed on their invoice - this day is usually the Sunday before the first day of class. If you will need to arrive earlier, please advise your program coordinator as early as possible. Additional nights of lodging and insurance, if any, will be at an additional cost.

More information about the arrival day, arrival transfer procedure, etc will be sent prior to departure.

### Departure Date:

Lodging typically ends the Saturday after the last day of class. If you will need to depart later, please advise as early as possible. Additional nights will be at an additional cost.

### Travel Documents:

- Valid Passport
- A minor (under 18 years old) traveling alone must carry notarized permission signed by both parents. In the event of death, divorce or non-marital status, substantiating and notarized documentation must be carried. (i.e. Death Certificate, divorce decree, legal guardianship, etc.), with the legal guardian signing the notarized permission.

### Airline Ticket:

Two resources for discounted student air tickets are:

- Exito Travel: 800-655-4053
- Student Travel Association: 800-781-4040

### Orientation - First day of Class:

On Monday morning, the first day of classes, students will all attend an orientation session. At the orientation, students will take a tour of the campus and learn more about the resources of the NRCSA Center and city, go over schedules and procedures, meet all the staff, take language placement exam to determine class placement, and do activities to help build a sense of community within the student body and help students to get to know each other. Since the first week in a foreign country is always the biggest adjustment, it is best that all students arrive in the foreign country in time to be able to attend the orientation and first day of classes - late arrivals are not recommended.

### Curfew:

Students must respect their curfew, additional information to follow before departure.

### Parental Permission:

This form must be carried with the student as part of his/her traveling papers. BOTH PARENTS MUST SIGN. If through death, divorce or non-marital status there is only one parent, a substantiating document must be carried (i.e. Death Certificate, legal guardianship, or divorce papers).

### Pocket Money:

Students should bring with them (via traveler's checks or ATM card for bank withdrawals) an allowance for personal expenses, local transportation, shopping and other miscellaneous expenses. The teen programs include 3 meals per day. This means additional money for food specifically is not needed, unless students want to buy snacks, bottled water while on an excursion, etc. Parents are free to give their children any amount of money they consider appropriate, as a guideline, \$75-100 USD per week is recommended and typically more than enough to cover the average student's needs.

### Meals:

Meals are served in the homestay or cafeteria. Vegetarian options are always available, but please let us know in advance if you will require a special diet, have food allergies, etc.

### Visitors and Telephone Calls:

Overnight visitors in student lodging is not allowed. If parents, friends, etc will be visiting, please contact your program advisor for help with alternative lodging for them. Students may receive telephone calls in their lodging at reasonable hours, unless there is an emergency in which case students can be contacted at any time. Phone calls can be received, also, for students at the school. Parents should keep in mind that the teen programs have very active schedules, and you may not be able to reach your teen at all times. It is better to set up occasional "phone dates" and to rely on more frequent communication by email - which is always available to students at the Center or at local internet cafes.

### Roommates:

Most of our programs give you the opportunity to have a roommate close to your age, and typically they are of another nationality. We recommend that two or more friends attending the program together opt for separate homestays, even if in homes close to each other, to allow for the unique exchange opportunity of having a roommate of another nationality, and also to encourage speaking the local language while in your homestay. Two or more friends can request lodging together, if they wish.

### Linens and Laundry:

Bed linens and towels are provided, but you may want to consider bringing a beach/pool towel. In some countries, bath towels are very small and students may prefer to bring one of their own. Laundry facilities will be provided by your host family or near the student residence.

### What to bring / pack:

We recommend that students do not bring large or heavy luggage that they cannot comfortably carry themselves. Also, students should leave some space for souvenirs and presents - very few students don't go home with more than they came with!
